### MUSICAL

At Home of Mrs. George aBarbour Saturday Night Was Enjoyed By a Large Audience.

A group of representative Mayville people filled the hospitable reception rooms of the beautiful and historic home of Mr. and Mrs. George T. Barbour Saturday evening to listen to the following well selected musical program:

Chorus, La Czarine—High School Girls' Glee Club.

Violin Solo, Meditation from Thais, Massenet; The Kiss, Arditi—Mr. Robert Lee Straus.

Piano Solo, Isolde's Liebestod, Wagner—Miss Elizabeth Barbour.

Vocal Solo, To the Land of the Sky-Blue Waters, At Dawning—Miss Carlisle Chenault.

Violin Solo, Elegie, Massenet; Humoresque, Dvorak—Mr. Straus.

Piano Solo, Rigoletto, Verdi—Liszt—Miss Barbour.

Quartet, Cradle Song—Lucie Smith, Ria Ross, Carroll Mathews and Ruth Willett.

Miss Barbour gave her hearers great pleasure, as she always does, with her soul-stirring interpretations of Wagner and Liszt, and that Mr. Straus found his way to the hearts of the audience was evinced by the enthusiastic applause.

Miss Chenault is the embodiment of sweet simplicity, flower-like beauty and girlish charm that have ever been the inspiration of poets and her musical, parlor voice lured the listeners to the land of the sky-blue waters.

The Glee Club and Quartet gave spirit and variety to the program.

In the brief intermission, Miss Alice Lloyd gave a few facts from the history of the woman suffrage movement in Kentucky, showing that the laws to which women have given their active support belong to a class of legislation overlooked by men, and emphasizing the need of women to supplement the efforts of men in the state as well as in the home and the church.

During the social hour while refreshments were being served, opportunity was given for the signing of membership cards and a number of substantial names were added to the suffrage roll.

### MME. PETROVA AT PASTIME.

At the Pastime this afternoon and evening the magnificent emotional star, Mme. Petrova, will appear in "The Vampire," a wonderful Metro picture. Mme. Petrova needs no introduction to Mayville picture fans, for she is too well known and very popular with every one. "The Vampire" is an intense, forceful and realistic photoplay. A picture in which the regeneration of a woman, more sinned against than sinning, is beautifully depicted. This picture should prove a very popular attraction. Do not miss it. See it at the Pastime today.

Messrs. A. D. Cole, A. C. Cliney and Dale Bryant of this city, attended the state Progressive Convention at Louisville Saturday.

### ARGUMENT OVER DOG

Results in Sam Simpson Having His Head Split By Ax At Orangeburg Friday Afternoon.

Sam Simpson of Orangeburg, was probably fatally injured Friday afternoon, when Damon Simpson, a relative, hit him with an ax and split his head open to the mouth.

The two men were working on the farm of Mr. Dave Halfhill with Mr. Halfhill's son. Sam Simpson had been drinking and was in a disagreeable mood. An argument arose over a dog which one of the Simpsons owned, and Sam became enraged, pulled out a knife and rushed at Damon, who endeavored to back out of the way.

When he saw that he could not get away he picked up an ax which was lying on the ground and hit Sam in the head.

Dr. Winn Ford was called to give the injured man attention and said that he probably would not recover.

Damon Simpson was arrested, but gave bond for his appearance and was released.

### TWO NEW TRAINS

On C. & O. Between New York and Cincinnati Will Be Added On May 28.

Beginning May 28 is the date set for adding two new trains on the Chesapeake & Ohio schedule through Mayville. This will witness the return of solid trains between Cincinnati and New York is the opinion of railroad officials.

As it is now, No. 2 is the only solid eastward train to New York, it being necessary on No. 4 to change cars at Washington.

It is expected, however, when trains No. 1 and No. 6 are restored to the schedule that Trains No. 1, 2, 3, 4, 5 and 6 will be solid trains requiring no change of cars. The establishment of such a system it is said, would greatly improve the C. & O. service.
